23. What is your organization's Federal EIN or Business Registry number? *

We require these registration details for validation. If you have a fiscal sponsor, please provide their number instead.

24. Does your organization comply with Free Geek's anti-discrimination policy? *

Free Geek is a diverse, accepting, and inclusive community that specifically does not tolerate discrimination. No person shall be denied the services or facilities of Free Geek or be excluded from participation or service because of race, age, color, sex, sexual orientation, gender identification, creed, religion, handicap, or national origin. Discrimination of any kind in respect thereof is expressly prohibited. In accordance with Free Geek By-Laws, organizations are not eligible to participate in the Free Geek Hardware Grants program if they have a policy or mission which allows discrimination in hiring, compensation, promotion, termination, retirement, training, programs, and/or services based on race, color, sex, national origin, religion, age, disability, gender identity or expression, marital status, pregnancy, sexual orientation, political affiliation, union membership, veteran status, or any other characteristic protected by federal, state, or local law, regulation, or ordinance. Educational institutions or nonprofit organizations which offer culturally-specific, gender-specific, or community-specific programs or services may not, in and of themselves, be considered discriminatory.

Feedback

39. How did you find out about Free Geek's Hardware Grants program?

Mark only one oval.

- Returning applicant
- Referral (word of mouth)
- Online search
- Directly from Free Geek
- Other

40. How will you responsibly recycle granted hardware when you are done with it? *

If you're local, Free Geek can handle your organization's end-of-life electronics.

41. If we accept your application, may we publish details about your grant on our web site or newsletter? *

Information published may include your organization's name, activities, equipment received, and the equipment's intended use. No personal details about any individual in your organization will be published.

Mark only one oval.

Yes

No

42. Would you be willing to post stories and pictures about your grant on your own social media feeds, web page, and newsletter? *

This helps raise awareness about Free Geek's community work as we seek hardware donations to fulfill future grants. Doing so can positively affect your future grant eligibility.
